

Downloading Books to read on your iPad

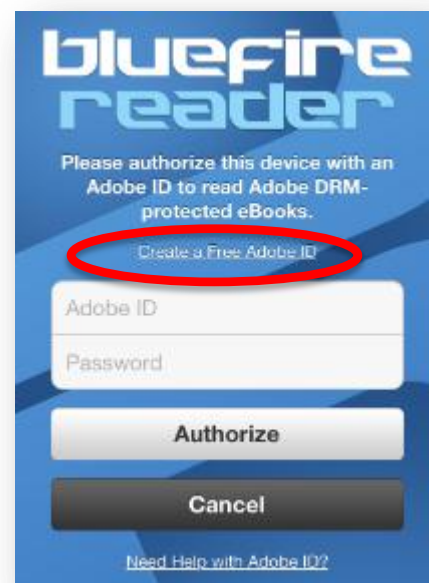

St Mary's College has an eBook lending facility that you will be able to download books onto your device for reading.

Before you can start borrowing from this eLeading facility you will need to have installed the Bluefire App.

- [Click here to download Bluefire on your iPad](#)

Setup BlueFire and create Adobe ID

1. You will note that you need to create an Adobe ID before you can start
 - a. Tap 'Create Free Adobe ID'
 - b. When you are asked for your details enter this in an use your school email address
 - i. E.g. willocks-15@stmarystmba.qld.edu.au

Create Adobe ID

Adobe ID (Email Address) <input type="text" value="jdoe@domain.com"/>	First Name <input type="text"/>
Password <input type="password"/>	Last Name <input type="text"/>
Retype Password <input type="password"/>	Country/Region <input type="text" value="Australia"/>

Stay informed via email about Adobe products and services. [Learn more.](#)

To borrow a book

- Go to the Library and pick up your individual username and password sticker.
 - a. Remember to write this down in a safe place so you do not forget it.

1. Navigate to <http://stmarys.wheelers.co/>

Sign In

2. Tap 'Sign In' on the top right of the page
3. Enter your username and password that you got from the Library
 - Your username is the same as your school login. E.g. willocks-17
 - Your password was on the sticker you received from the Library, if you don't know, see the Library staff.
4. To browse the Library tap on 'Library' in the top left of the page, or you might like to browse by category on the right hand side.
5. You can tap on the book to view the description of this title and make sure it is the book you want before borrowing.

Borrow Now?

6. Once you have found a book that you are interested in, tap on 'Borrow Now'.

Download Now

7. Next tap 'Download now'
8. Then select BlueFire reader as the App you would like to read the book in.
