

St Mary's College Toowoomba

Providing quality Catholic education for boys since 1899

20th July, 2017

Dear Parents/Carers,

This term the Year 5 and 6 students will be participating in Dance for their physical performance assessment. This will be delivered by an external company and the feedback from the past two years suggests it will be a rewarding experience for the boys. It will also provide an opportunity for them to engage in another form of physical exercise they may not usually experience.

In order to give the boys the best opportunity for success, we employ professional instructors, Footsteps Dance, to take the boys for their lessons. Over the term each class will be involved in 7 sessions of 40 to 45 minutes each. The cost of these professional sessions for each student over the term is \$25 which will be debited to your school account.

Should you have any enquiries regarding this, please contact Mr Anderson or your son's teacher at the college 46317333 or via email.

We thank you for your ongoing support of your son's education and we look forward to the positive experiences that lay ahead this term for our primary students.

Yours sincerely,

Rob Anderson
